

Do A Little Boogie And Stay Alive!

Corona! Corona!

Move a side

Do a little boogie

And Stay Alive!

Waking up and getting dressed

Another day of Coronavirus!

Stay inside and protect the people

Stay at home and draw a rainbow

Felt tip pens and water colours

We can make the best designs!

Corona! Corona!

Move a side

Do a little boogie

And Stay Alive!

Bake and cook

And make the pizza

Spend less time in the shopping centre

Make our food last longer

Protect the people and save our lives

Stay at home and stay alive

Corona! Corona!

Move a side

Do a little boogie

And Stay Alive!

Had enough of being at home

Doing too much homework!

Wish I was back at school!

With my teachers and my friends
Corona! Corona!
Move a side
Do a little boogie
And Stay Alive!

Remember our distancing
Two metres apart!
Keep in contact with others
Using Whatsapp!
Speak to our family and friends
See the smiles on family faces
Brighten up the day!

Corona! Corona!
Move a side
Do a little boogie
And Stay Alive!

When can we go outside?
We've been at home for many weeks
Protecting the people and saving lives

Corona! Corona!
Move a side
Do a little boogie
And Stay Alive!

Corona! Corona!
Move a side
Do a little boogie
And Stay Alive!!!
