

I Hate Reading! by Donna Rose

I hate reading, I don't like words, words are boring, the most boring words are:

Dreary

Negative

For and Four

Shouting

Fact

Two, to and too

The worst words are 'and' and 'the'. Why would you use them?

Go and look in every book, everyone uses them, and...the...and...the.

Honestly, don't take my word for it, go and look in some books, try and find a book without the words 'the' and 'and'. Even that sentence has 4 'ands'.

I asked my friends for better words...exciting words...interesting words. Words which should be in books. My friends are only 7 but they said...

Trampoline

Splendid

Baby

Rainbow

Unicorn

Extreme

Happy

and Chicken Nuggets

Books would be better if they had funny words to say, like...

Waddlewoddle

Poop

Giggle

Smelly

Elastic

Mr Boombastic

Funky

and Fantastic

Some books have big words, and I don't know how to read them... words like...

Enough

Complicated

Solutions

Illustrate

Language

Dinosaur

Intelligent

Onomatopoeia

and Difficult

Other words are easier to read...like...

Pan

Little

Pin

Ball

Nice

Cute

Sand

and Sports

I hate reading, stories are boring.

Stories need a dragon with three heads or a monster with six ears.

I don't want a story about a princess unless she stinks and lives in a swamp, a really smelly disgusting swamp. I like those words, disgusting, disgusting and smelly.

Yes, yes, yes, I want to read about a smelly disgusting swamp, with a monster with six ears and a smelly princess.

Yes, the smelly princess will smell of brussels spouts and garbage.

They will go looking in the forest to find and eat bugs.

Their hair will be made out of worms, and the worms will wiggle and tickle.

They will climb into trees and fall out into mud, yucky mud. Then they will smell of mud too.

Yes, I like my story, it is disgusting and smelly.

Oh...wait...I just said I like my story.

Oh no...I have just used the words 'and' and 'the'.

Oh no... I've just done it again!

But I hate reading... Maybe I used to hate reading?
